November 2022

College Open Evening Wednesday 23rd November 2022 – 5pm – 7pm

Dear Parent/Carer

The next few months of your son/daughter's education are the most important few months in planning for their future as we want all of our students to be happy and settled in their chosen place of education or training when they leave George Mitchell School.

With this in mind, we would like to inform you of an event which takes place later this month to support your child with their choices for their next steps.

This event will be your opportunity to ask questions to discover possible future pathways and to talk to various colleges and training providers about what is available to all post 16 students.

We have a mix of Sixth Form Schools and Colleges from the area, as well as representatives from our Careers Service and the Local Borough in attendance to talk about and to offer advice on all post 16 options, including Apprenticeships and the new T-Levels. A list of all stalls attending will be available closer to the date.

This event is designed to support your child and ensure that they have a clear vision for their future and will be able to apply and be accepted onto the college/training programme appropriate to them.

We expect all students to attend with their parents in school uniform.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Alina Enache
Learning Leader for Year 11
