

George Mitchell School (All-Through)

CHARGING POLICY

No charges will be made to students for any trip, off-site or special activity essential to the curriculum. Monies for such events are allocated to the budget.

For non-essential activities, it may be necessary to make a charge; this will always be kept to a minimum. Where a parent is not able to pay the cost of the activity, the school will pay for that child. However, if this individual cost is prohibitively high, or if a number of students are not able to finance the trip, the trip will be cancelled.
