10th June 2020

Dear parents and carers,

Wider reopening of the school to year 10

I sincerely hope this letter finds you and your family well.

It is with regret that I have to inform you that I am going to have to delay the start date for welcoming year 10 students back to George Mitchell School to **Monday 29th June 2020**.

Routine checks have shown that a number of taps are testing positive for Legionella on the secondary site. For reasons of health and safety it is not feasible for students to return whilst contractors are working to drain and flush out the water tanks.

The plans and timetables that have been emailed to you already will now start from Monday 29th June till the end of term.

I know this will be disappointing news for students and their families. The health and safety of students and staff, however, has to be our priority.

I thank you for your continued support during this difficult time.

Kind regards,

Saeed Hussain

Executive Headteacher
