

## **WORK EXPERIENCE & VOLUNTARY WORK**

All students in Year 10 undertake a Two week work experience placement. Students in other years may also wish to expand their experiences of the world of work particularly in Yr. 11. Please note that some opportunities do have age restrictions.

We encourage all our students to volunteer in their local community.

Discover Healthcare helps you to find and register for opportunities at our 4 organisations. It signposts job roles and different pathways into these roles. Through this website you can register for a work experience placement, access insight days, understand and apply for apprenticeships and education and training.

Volunteering is open to everyone! Give back to your community while building new skills and help to make London a better place.

**Volunteer Team London** <https://www.london.gov.uk/what-we-do/volunteering/search/>

Work experience in the NHS is a fantastic way to gain insight into a particular career. It can also be a valuable way of getting some confidence and experience of working in a team and caring for people. Whether it is a short or long-term placement, full or part time, or on a structured or informal basis, work experience can help you choose the right career.
