Is it worse to fail at something or never attempt it in the first place?

If you could choose just one thing to change about the world, what would it be?

What is
true happiness?

What makes you, you?

What makes a
good friend?

Is it easier to love or be loved?

Can we have happiness without sadness?

Is it more important to be liked or respected?

What is **infinity?**

What will happen
at the end of the world?

What is
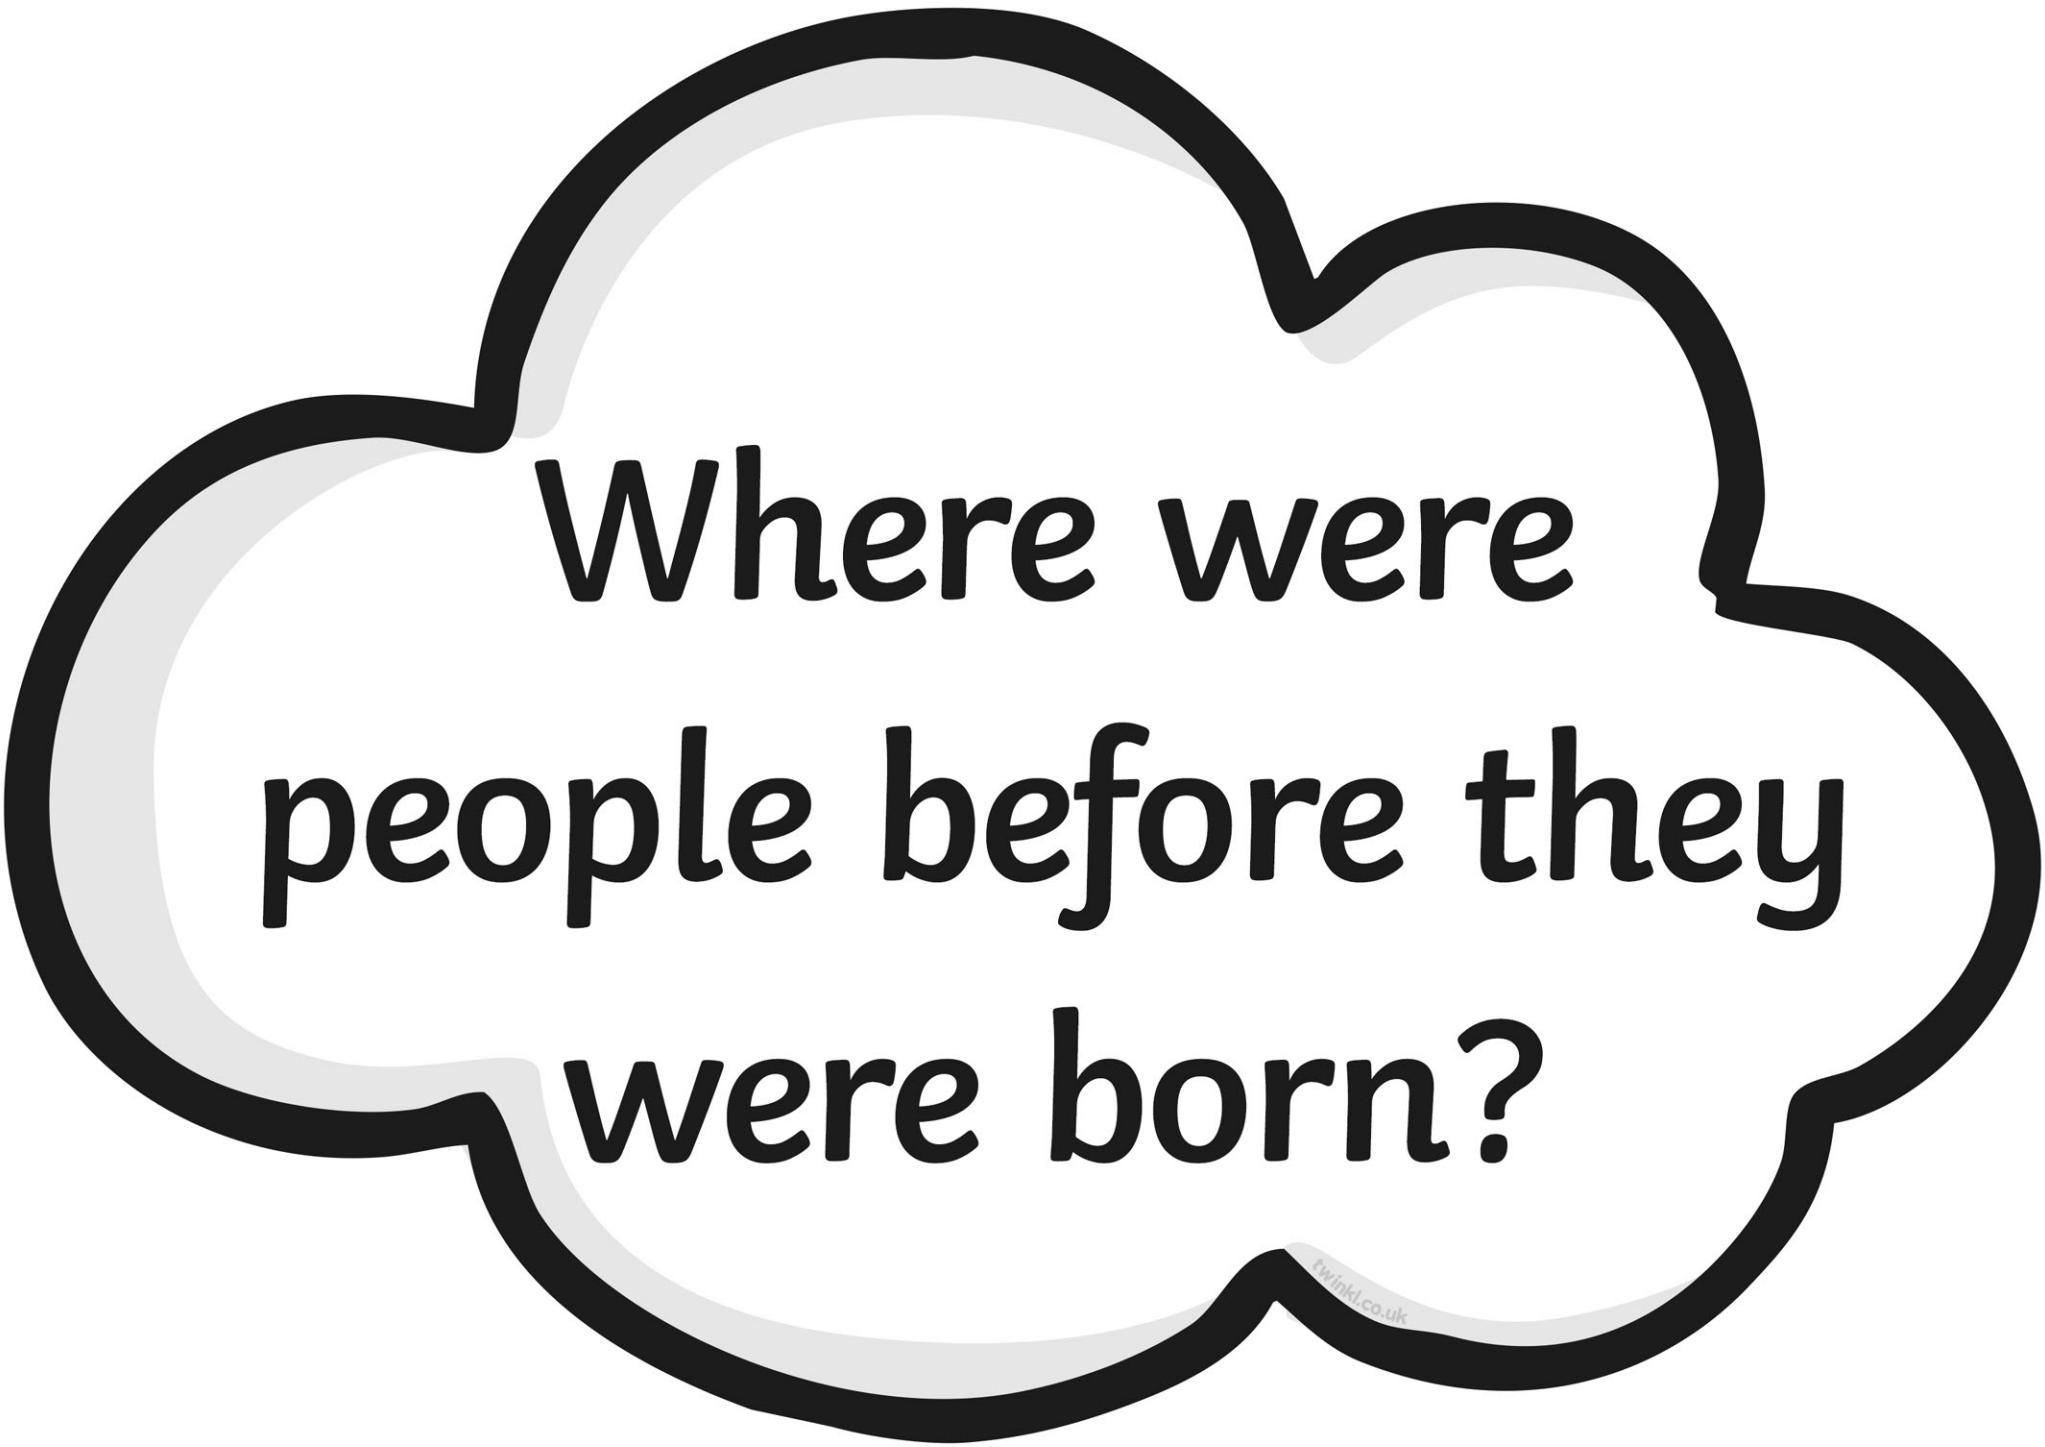

consciousness?

What is the meaning of life?

What is art?

Should governments penalise people for unhealthy lifestyles?

How does gravity work?

Where were people before they were born?

What are numbers?

What is freedom?

Should people care more about doing the right thing, or doing things right?

What is intelligence?
