

Our school intent

Intent:

At George Mitchell school education is about:

- Providing children with meaningful qualifications and opportunities which enable them to be successful and achieve within school, in their lives and in their work after leaving us.
- Helping each child become a successful learner who is confident, happy and fulfilled. With a set of positive traits (PRIDE) which guides their conduct and supports them to become responsible citizens who can make a positive contribution to society.

Perseverance - Enjoy the challenge

Respect - Be kind, be safe

Independence - Think for yourself

Diversity - Include everybody

Excellence - Go above and beyond
